

Brinsley Morrison

SUMMARY

Highly creative and versatile composer with numerous scores written, including scores composed for documentary, television and film. Proficient in orchestral and electronic music production of vastly different instrumentation. Expert in Cubase, Logic Pro, and Pro Tools.

COMPOSITION FOR FILM

Re-scoring scenes from 'Suzume no Tojimari'

University of York

Feb. 2025 – Mar. 2025

Rescored **two** scenes. Used AI to isolate the dialogue and sound effects. New music blending western orchestral, traditional eastern and elements of synthesis written.

Re-scoring Episode 2 of 'Sousou no Frieren - Beyond Journey's End'

University of York

Nov. 2024 – Jan. 2024

Re-wrote the music from ground up for a 25-minute episode, using AI to isolate dialogue and sound effects. New material and cues written for all of the BGM as well as new intro and outro tracks.

The Lost Town of Romania Documentary

Chetham's School of Music

Nov. 2021

Produced a short documentary on the village Geamăna in the north-west of Romania, combining sampled and recorded instruments and sounds, taking on both the full video and audio production.

COMPOSITION FOR CONCERT

Beyond the Shadow

Feb. 2024

A score written for contemporary orchestra, exploring the relationship between dissonance and consonance.

The Untouched Landscape

Apr. 2023

A piece written for chamber orchestra exploring the intricate beauty of the natural world.

The Brink of the Valley

Jun. 2022

A large work for extended contemporary orchestra, envisaging an aural depiction of the expansive view from the top of a valley in my hometown.

Dormire

Mar. 2022

An experimental piece employing quarter-tonality for string-quartet depicting the state of the mind's consciousness when falling asleep.
